Dear Community Partner,

At the Creston Police Department, we understand that a strong, safe community is not built by law enforcement alone; it is built through the relationships, trust, and partnerships we share with the people and businesses that call this community home.

That is why we are proud to host our first annual **National Night Out** event on August 4, 2026, in partnership with the Union County Sheriff's Office and other local public safety agencies. This event is centered on bringing our community together, creating an opportunity for positive interactions, building trust, and reinforcing the partnerships that make Creston a great place to live and work.

As we plan for this event, we are reaching out to our community partners for support. We are seeking monetary donations and activity booth hosts to help make this event a reality and ensure it is accessible, welcoming, and memorable for everyone who attends.

Donations will directly support:

- Food and refreshments for attendees
- Activities and entertainment for children and families
- Event supplies and equipment
- Community engagement materials, educational opportunities and giveaways

If you are interested in being a participating Activity Booth Host, we require participants to provide a game, activity or interactive experience for attendees with a giveaway. This is a great opportunity to:

- Showcase your business or organization
- Connect with local families and community members
- Support a positive community event focused on safety and partnership
- Build relationships with residents and other local organizations

Examples could include:

- Simple carnival-style games or activities, prize wheels or giveaways, educational displays and/or demonstrations.

In addition to an activity you can also include materials that share resources and information for families. These forms must be filled out by July 10th.

Our goal is simple: to provide a **free, family-friendly event** that strengthens the connection between our community and those who serve it. We cannot accomplish that without the support of the businesses and individuals who stand beside us every day.

If you are interested in supporting National Night Out, please contact the Creston Police Department at chale@uclec.com by phone at 641-782-8402 or arrange a contribution in person.

On behalf of our department and the community we serve, thank you for your continued support, your partnership, and your commitment to making Creston a better place for all.

Respectfully,
